

Prayer guide for the week 10 to 16 March

“Love is not patronizing and charity isn't about pity, it is about love. Charity and love are the same — with charity you give love, so don't just give money but reach out your hand instead.” Mother Teresa

When Methodist evangelist William Booth decided in 1865 that he could no longer preach the Christian Gospel to the poor and wretched of England unless he also put food into their stomachs, he probably did not imagine that the movement he started would grow into a worldwide organisation. Today, 160 years later, The Salvation Army is trusted and recognised throughout the globe, providing a unique blend of evangelism and service to people in more than 127 countries through 175 languages. Their special concern for the poor, the neglected and the marginalised, and their determination to uphold social justice is motivated by their love of God.

The Salvation Army is well represented in our country. The members run different Faith Ministries among men, women, children, youth and the elderly. Their community work includes running hospitals, mobile clinics, drug and alcohol rehab centres, accommodation for the homeless, family tracing, psychiatric centres and more.

In our prayers this week, let us pray for the Salvation Army members and for their work in so many areas.

- ✚ For the Men's Ministry, aiming to make men, men of God, of prayer, of service, of fellowship
- ✚ For the Children's Ministry, aiming to reach the children in our communities, evangelizing among them and making disciples of them.
- ✚ For their ministry among women, encouraging them to reach their full potential in their families and communities
- ✚ For their ministry among the elderly, for those who run the facilities for them, provide meals and provide home care.
- ✚ For their involvement in the poorer communities, soup kitchens, rehab centres and in so many more areas of need.
